BASEBALL IN HILO

Three Cornered League Has Been Formed.

On Saturday evening, November 2, a number of the young business men of the city met at Demosthenes' Cafe with the intention of forming a baseball league with as many clubs as possible. Considerable discussion was had on the possibility of creating enough interest in both players and public to play a prolonged season and come out even. The following were elected as officers: L. W. Hayworth, president; E. M. Brown, vice president; A. W. Richardson, treasurer; and C. L. Clement, secretary. These, together with the captain and manager of each competing team, shall comprise the board of directors of the league.

The duties of the directors shall be to have full control of and govern the ball teams, who shall enter the league for the seasons of 1901 and 1902, appoint umpires for the season or for the single game, as well as appoint an arbitration board or court of appeal when differences arise over the decision of an umpire. The league shall also have the handling of all monies from whatever source derived and disburse same to the various teams and for the running expenses of the league.

Up to this time three teams have signified their intention of joining the league. The Kiloheana team, of whom the following are the probable players: Salvador, Ludloff, Hapal, Paulo, Bento, English, Spaulding, E. M. Brown, Rowland, Lake, Overend, Beck, Hayworth and Lee Loy. The Holomua team of Edmunds, Kalewa, Ragsdale, Kakaule, R. Brown, Pabelua, Nanaue, Rich, Kaimana, Campbell and Keanohou. The Boarding School team consists of Beers, captain; Aanakalea, Akana, Manu, Kekela, T. Kaamanna, Boyd, Kakaulea, Kewehano and P. Kaamanna. L. C. Lyman will manage the latter team. E. Brown the Holomua and Paul Soule the Kiloheana.

At the meeting of the directors of the league held at Demosthenes' Cafe Tuesday evening, the matter of suitable grounds was brought up. In the absence of Mr. McKenzie, no proposition could be had from the Volcano Stables. The offer of the Hilo Boarding School was presented in writing, somewhat modified from the original offer, and was accepted.

The president appointed a committee of three to confer with the trustees of the Hilo Boarding School relative to the change necessary to be made in the location and size of the grand stand. Formal notice was also given to the managers and captains of the teams to immediately call their men together and make immediate preparation to com-

mence practice for the first game, to be played Thanksgiving day. The captains will report the conditions of their teams at a special meeting to be held Monday evening, when the league hopes to have sufficient funds on hand to equip the teams with the necessary paraphernalia. The schedule for the season will come up at the next meeting of the directors. Good honest ball only will be played, and it will remain entirely with the players whether the public will support this national game of outdoor sport sufficiently to warrant the league continuing. After the opening game Thanksgiving Day games will be scheduled for every Saturday afternoon and holidays, and the admission fee will be so nominal that all can afford the price.—Hawaii Herald.

Another Fine Cafe.

Camarinos has not only opened a candy, ice cream and soda water parlor, but a cafe which serves all kinds of dainty dishes from terrapin a la Maryland, and lobster a la Newburg, to alligator pear salad and Welsh rarebits, with a variety of mineral waters on the side. There is nothing better than a breakfast, lunch or dinner at Camarinos' place. Young ladies serve, and the chef d'cuisine used to be at the famous Poodle Dog restaurant at San Francisco. The trade of families is especially solicited by Mr. Camarinos, who also makes a specialty of after-the-theater parties.

A DOUBTING THOMAS.

Had His Falling Hair Stopped and Dandruff Cured Without Faith.

H. B. Fletcher, Butte, Mont., Oct. 20, 1899, says: "Like many other people, I have been troubled for years with dandruff and within the last few months my hair came out so badly that I was compelled to have what I had left clipped very close. A friend recommended Newbro's Herpicide. I confess that I doubted his story, but I gave Herpicide a trial; now my hair is as thick as ever and entirely free from dandruff." "Destroy the cause, you remove the effect." At drugists, \$1.00. Herpicide is a delightful hair dressing for regular use.
